**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer, who would be materially affected by considered changes to the Telecommunications Act of 1996. I subscribe to an internet service provider (Sonic.net) that relies on access to unbundled copper and inter-city fiber transport elements. Sonic provides me with competitively priced access, and provides service far superior to that offered by big big conglomerate monopolist providers such as Comcast and AT&T.

Thank you for your consideration.
